## Stage Dolls, Still In Love

New York city, and I'm out with the boys, on fortysecond street makin' some noise Another weekend and my baby's away temptations drivin' me insane

Ain't makin' no promises I can't keep Cause I've got a lady back home and she's waitin' there for me

I'm in love, still in love oh-oh-oh I'm in love, still in love oh-oh-oh

Ain't makin' claims about being a saint human nature just tells me I ain't The thought of you'll make a blind man see hey little girl, look what you do to me doin' to me

Ain't makin' no promises I can't keep Cause I've got a lady back home and she's waiting there for me

I'm in love, still in love oh-oh-oh I'm in love, still in love oh-oh-oh In love, still in love oh-oh-oh

I can feel my heart beatin

Ain't makin' no promises I can't keep Cause I've got a lady back home waitin' there for me, Ah

I'm in love, still in love oh-oh-oh I'm in love, still in love oh-oh-oh
