

Stage Dolls, Waitin' For You

(T. Flakne/B. Icon)

Someday

when my ship comes in
I'll be knockin' on you door

One day

I don't know when
you'll be comin' back for sure
I'm waitin', still waitin' for you Anna
I'm waitin', still waitin' for you--

I know

there'll never be
another to take your place

'cause I've looked

into a lover's eyes

only to see your face

I'm waitin', still waitin' for you Anna

I'm waitin', still waitin' for you--

Hold on--

I keep tellin' myself

Go on--

go on foolin' yourself

Hold on--Hold on

I'm waitin', still waitin' for you Anna

I'm waitin', still waitin' for you Anna
