

# Staind, A Flat

Trust in me, can't trust  
I know, I don't believe it  
All my life so scarred  
What for, you can't conceive it  
Everything you fear  
I'll be, you couldn't live it  
I whisper in your ear  
So loud, why can't you hear it?

I'm OK (x4)

All my faith is gone  
You think, I couldn't find it  
Pieces falling down  
Shattered, nothing behind it  
In my mind alone  
Lost here, I'm separated  
Crawl deeper in my hole  
Safe here, from what I've hated

Chorus:  
All the demons in my head won't leave me  
I know, I can hear them  
All the sacrifices made for nothing  
Don't show, can't believe in  
Wanna show you that I'm good for something  
I can't, you won't let me  
All your artificial words won't heal me  
Because you can't accept me

And I hate myself  
And I hate my face  
And I hate my world  
And I hate my ways

And I.. (x4)

I'm not OK (x3)

I'm OK (x4)

Trust in me, can't trust  
I know, I don't believe it  
All my life so scarred  
What for, you can't conceive it  
Everything you fear  
I'll be, you couldn't live it  
I whisper in your ear  
Fuck, why can't you feel it?

Chorus:  
All the demons in my head won't leave me  
I know, I can hear them  
All the sacrifices made for nothing  
Don't show, can't believe in  
Wanna show you that I'm good for something  
I can't, you won't let me  
All your artificial words won't heal me  
Because you can't accept me

I don't believe it (x2)
