

Staind, Can't Believe

Respect.
Respect what is found
Respect should abound
Respect everything that you leave

I can't believe
Can't believe (x2)

And I, I can't believe
I can't believe all the travesty
Surrounding me
I want to flee
Well, I want to flee from everything
In front of me

I can't believe
Can't believe (x2)

Never again, trusted in you
Fuck everything that you think I should be
I stand.
Never again, never again

I can't believe
Can't believe (x4)
