

# Staind, It's Been Awhile (Acoustic)

It's been a while  
Since I could...  
Hold my head up high  
It's been a while  
Since I first saw you  
It's been a while  
Since I could stand  
on my own two feet again  
And it's been a while  
Since I could call you

But everything I can't remember  
As fucked up as it all may seem  
The consequences that I've rendered  
Have stretched myself beyond my means

It's been a while  
Since I could say  
that I wasn't addicted  
It's been a while  
Since I could say  
I loved myself as well and...  
It's been a while  
Since I've gone and fucked things up  
Just like I always do  
It's been a while  
But all that shit seems to disappear when I'm with you

And everything I can't remember  
As fucked up as it all may seem  
Consequences that I've rendered  
Gone and fucked things up again... again

Why must I feel this way?  
Just make this go away  
Just one more peaceful day

It's been a while  
Since I could...  
Look at myself straight  
It's been a while  
Since I said I'm sorry  
It's been a while  
Since I've seen the way  
the candles light your face  
It's been a while  
But I can still  
remember just the way you taste

Everything I can't remember  
As fucked up as it all may seem to be,  
I know it's me  
I cannot blame this on my father  
He did the best he could for me

It's been a while  
Since I could...  
Hold my head up high  
It's been a while  
Since I said I'm sorry
