

# Staind, Nameless

Cant you see i fuckin hate me X4

The walls around me caving in  
Cracked and grey  
Remind me of myself, I need some help  
There's no one else  
I'm empty  
Addicted  
Pissed off  
And still afraid  
Of what you  
Have left me  
To live in  
This mess you've made

I feel  
USELESS  
Jaded  
Nameless

the ride is over, I've come down  
Hate to be  
Can't rely on myself, for my own health  
To just say no  
I'm fucked up  
Distorted  
Dysfunctional  
and drained  
All of my deep rooted  
Fears seem to get  
The best of me

I feel  
USELESS  
Jaded  
Nameless

I hate the way you fucked with (ME.  
YOU) can't rely on open eyes to (SEE.  
YOU) force these painful visions from my (HEAD.  
YOU) won't be happy till I break down

I feel  
USELESS  
Jaded  
Nameless

Cant you see (NAMELESS) i fuckin hate me (NAMELESS) X4
