

Staind, Raining Again

a piece of glass
in the sand under your feet
it cuts you deep
and makes you hate the beauty that you see
and you wonder where you are
how you ever got so far
now you question what went wrong
it's your heart

it's rainin' again
there's a dark cloud over your head
it follows you 'round
it's bringing you down
it's rainin'...it's rainin' again

a wilted rose
and your decay is all you see
you buy the flower
and miss the beauty that is yours to fray
Realize you are so far
from the things that matter now
and you only wonder how
it's your heart

It's rainin' again
there's a dark cloud over your head
it follows you 'round
it's bringing you down
it's rainin'...it's rainin' again

come on
come on, get it right
come on
come on, make it right
come on
come on, it's all right

It's rainin' again
there's a dark cloud over your head
it follows you 'round
it's bringin' you down
it's rainin'...it's rainin' again

It's rainin'...rainin' again
there's a dark cloud over your head
