I've seen too many sad eyes look at me,  
The eyes that set me free,  
All the places that I've been.

So thank you for the letters that you thought you wrote in vain  
And for the times you chose to stand out in the rain and wait for me,  
For me.

Your words,  
Your words help me to see  
A little honesty  
In a world that doesn't share  
And your eyes  
Tell the story of your pain  
Severity of your disdain  
In a world that doesn't care.

So thank you for the letters that you thought you wrote in vain  
And for the times you chose to stand out in the rain and wait for me.

You, you understand my pain.  
In this I gather strength,  
In that we are the same.

So thank you for the letters that you thought you wrote in vain  
And for the times you chose to stand out in the rain and wait,  
The life I live will never be the same without you here.
