

Staind, Sober (Live Acoustic)

Every shadow just behind me,
Shrouding every step I make,
Breaking every promise empty,
Pointing every finger at me
Waiting like a stalking butler
Who upon the finger rests
Murder now the path has lost me
Just because the sun has set
Jesus, was a f**king whistler
Nothing but the past is done
Jesus, was a f**king whistler
Nothing but the past is done

Why can't we not be sober?
I just want to start this over
Why can't we sleep forever?
I just want to start this over

I am just a worthless liar
I am just an imbecile
I will only complicate you
Trust in me and fall as well
I will find the center in you
I will chew it up and leave,
I will work to elevate you
Just enough to bring you down

Mother Mary won't you whisper
Nothing but the past is done
Mother Mary won't you whisper
Nothing but the past is done

Why can't we not be sober?
I just want to start this over
Why can't we drink forever?
I just want to start this over this time

I am just a worthless liar
I am just an imbecile
I will only complicate you
Trust in me and fall as well
I will find the center in you
I will chew it up and leave,

Trust me, Trust me, Trust me, Trust me, Trust me

Why can't we not be sober?
I just want to start this over
Why can't we drink forever?
I just want to start this over this time

I want what I want
I want what I want
I want what I want
I want what I want
