

# Stairwell, End Of Day

The memories  
Of good and bad  
Still keep me up at night

Without a word  
Your eyes tell me  
That things will be all right

And I'm all right  
I'll be OK as long  
As you are here tonight

I see it in your eyes  
And I'm just fine  
The time has come to say good night

I can't sleep  
Unless I dream  
And silence is so ---

Visions of me  
Are saving you from evil  
And tyranny

And I'm all right  
I'll be OK as long  
As you are here tonight

I see it in your eyes  
And I'm just fine  
The time has come to say good night

I see it in your eyes  
And I'm all right  
The time has come to say good night
