

# Stan Bush, It Don't Get Better Than This

Dont Know What You've Been Lookin'  
Behind That Look There's An Open Door  
Your Eyes Say Yes, But You Won't Let Me In  
Now I Don't Care What's Right Or Wrong  
It's Just You And Me And We're All Alone  
If You Don't Love Me Now, It Would Be A Sin

Oh, We Can Go To Heaven Tonight, Just Take My Hand  
Oh Yeah

Turn Down The Lights, This Night's Gonna Last Forever  
We'll Walk In A World, Where Time Don't Exist  
There's No Turnin' Back, It Has To Be Now Or Never  
More Than A Moment  
More Than A Kiss  
It Don't Get Better Than This

Ohh No

There's No Future, There's No Past  
Let's Light A Fire, And Make It Last  
And By The Light Of This Flame  
We'll Take The Chance Of A Lifetime  
This Ain't No Time, To Hold Back Now  
We've Come Too Far, And It's Right Somehow  
We're Gonna Burn So High, Only The Ashes Remain

Oh, We Can Go To Heaven Tonight, Just Take My Hand  
Oh Yeah

Turn Down The Lights, This Night's Gonna Last Forever  
We'll Walk In A World, Where Time Don't Exist  
There's No Turnin' Back, It Has To Be Now Or Never  
More Than A Moment  
More Than A Kiss  
It Don't Get Better Than This

We'll Spend This Night Like There's No Tomorrow (Like There's No Tomorrow)  
Together We'll Fly Out On The Wind

Oh, We Can Go To Heaven Tonight, Just Take My Hand  
Oh, Girl It's Gonna Be Alright  
Oh Oh Ohh Baby

Turn Down The Lights, This Night's Gonna Last Forever  
We'll Walk In A World, Where Time Don't Exist  
There's No Turnin' Back, It Has To Be Now Or Never  
More Than A Moment  
More Than A Kiss  
Oh It Don't Get Better  
It Don't Get Better Than This

Oh No  
It Don't Get Better Than This  
Oh No  
It Don't Get Better Than This

Oh We Can Go To Heaven Tonight, Oh  
It Don't Get Better Than This  
Oh We Can Go To Heaven Tonight, Oh  
It Don't Get Better Than This
