

Stan Bush, Keep Falling In Love

I'm Leavin' Or Comin'
If This Is Love, It Isn't Quite Right
You Talkin' Or Hummin'
There Is A Fire, But It Won't Make Light
No, No, No, No

Keep Falling In Love
It Always Seems We Fall Apart, In The Long Run
Keep Callin' For More
Cause We Don't Want To Break This Fall

You Call, I Come Runnin'
You Say Hello, But It Sounds Like Goodbye
Your Love Feels So Stunnin'
But It's A Fire, That Wont Make Light
No, No, No, No

Keep Falling In Love
It Always Seems We Fall Apart, In The Long Run
Keep Callin' For More
Cause We Don't Want To Break This Fall

Keep Falling In Love
It Always Seems We're On The Run, Every Day Girl
Keep Callin' For More
Cause We Don't Want To Break This Fall

Keep Falling In Love

Keep Falling In Love

Keep Callin' For More
Cause We Don't Want To Break This Fall

Keep Falling In Love
It Always Seems We Fall Apart, In The Long Run
Keep Callin' For More
Cause We Don't Want To Break This Fall

Keep Falling In Love
It Always Seems We Fall Apart, In The Long Run
Keep Callin' For More
Cause We Don't Want To Break This Fall
