

# Stan Bush, Somethings Never Change

Johnny Got A Brand New Job  
And A Shiny New Company Car  
His Boss Really Likes Him  
As He Pats Him On The Back And Says  
"Son You're Gonna Go Real Far"  
Johnny Says He'll Do Whatever It Takes  
Gonna Climb That Ladder Until It Breaks  
He Can Already See His Room With A View  
And To Get What He Wants  
There's Nothin' He Won't Do  
Seems Like Everything's Goin' So Right  
But Johnny Still Can't Sleep At Night

Some Things Will Never Change  
It's Just The Nature Of The Beast  
Now He Never Gets Enough  
Of What He Don't Need  
And He's Too Damn Blind To See  
Some Things Will Never Change

He Bought A House In A Neighborhood  
He Only Used To Drive Through  
He's Movin' Up, Livin' Large  
Don't Care Who He's Gotta Lie To  
Now He's Got No Plans, Only One-Night Stands  
Cause To Him, Love Only Has Victims  
It's A Disease Of The Soul And It's Hard To Let Go  
And Johnny's Got All The Symptoms  
He Thinks The Wall Street Journal  
Holds The Meaning Of Life  
But Johnny Still Can't Sleep At Night

Some Things Will Never Change  
It's Just The Nature Of The Beast  
Now He Never Gets Enough  
Of What He Don't Need  
And He's Too Damn Blind To See  
Some Things Will Never Change

Ooh Yeah, Never Change  
Ooh Yeah

Now You've Lost The War  
But You've Won The Fight  
Johnny Can You Sleep At Night?

Some Things Will Never Change  
It's Just The Nature Of The Beast  
And We Never Get Enough  
Of What We Don't Need  
And We're Too Damn Blind To See

Some Things Will Never Change  
As They Come Starvin' To The Feast  
Now We Never Get Enough  
Of What We Don't Need  
We're Too Damn Blind To See  
Oh Some Things Will Never Change

Yeah  
Oh They'll Never Change

Yeah Yeah
