Stanfour, Crazy

Oh no, I'm losing it
I always screw it up like this
I know I'm not allowed
I guess that's why I gotta try
I wan't forgive myself getting old
Without trying all the things I run into
I'm a dare devil who's gotta know
The curiosity will kill this cat
Yeah
Ref:
Oh oh
I gotta be crazy
Oh oh
It's making me feel so good
Completely out of line
Yeah, yeah
It makes me feel good
Stop me, I can't help myself
I'm getting closer to the edge
This time I'm taking it way too far
Not even me will get away with this
No!!
Ref:
Oh oh
I gotta be crazy
Oh oh
It's making me feel so good
Completely out of line
Oh oh
I gotta be crazy
Oh oh
It's making me feel so good
Completely out of line
Yeah, yeah
It makes me feel good
They say I gotta grow up now and be aware
There are consequences that I have to face
They say I gotta rearrange myself but I
I really don't care
Ref:
Oh oh
I gotta be crazy
Oh oh
It's making me feel so good
Completely out of line
Yeah, yeah
It makes me feel good
