

# Stanfour, Everything I Am

What can I say  
I'm not okay  
It's been days and weeks and months  
And I should be moving on  
I've been out of tears for so long now  
Where do I go from here

You're everything I am  
Everything I am  
You're all I'll ever be  
You are all there is to me  
And what it's all about  
I cannot live without you  
I've tried to let go but I can't  
You are everything I am

I wish there was a way  
To make you come back and stay  
Believe me, I have changed  
I know I'm not the same  
I'm running out of words to say now  
Where do I go from here

You're everything I am  
Everything I am  
You're all I'll ever be  
You are all there is to me  
And what it's all about  
I cannot live without you  
I've tried to let go but I can't  
You are everything I am

Don't tell me there's no we  
I'm lost without you  
I'm lost without you  
I'm waiting  
Still waiting  
I'm holding on to yeah  
I'm holding on with you  
I'm falling  
I'm falling  
I'm lost without you  
You are everything I am

You're everything I am  
Everything I am  
You're all I'll ever be  
You are all there is to me  
And what it's all about  
I cannot live without you  
I've tried to let go but I can't  
You are everything I am

Don't tell me there's no we, yeah, yeah  
You're everything I am  
Don't tell me there's no we, yeah, yeah  
everything, everything I am, yeah, yeah  
You are everything I am

I wish there was a way to make you come back and stay
