

Stanfour, Sorry

(Will you believe in me)
Will you listen to my story
It'll just be a minute
Well, how can I explain
Whatever happened dear, I never meant to hurt you
How could I cause you so much pain

When I say I'm sorry, will you believe me
Listen to my story, say you won't leave
When I say I'm sorry, can you forgive me

When I say I will always be there
Will you believe, will you believe in me

All the words that I come up with
They're like pourin' oil on flames
There's no excuse, no explanation
Believe me if I could undo what I did wrong
I'd give away all that I own

When I say I'm sorry, will you believe me
Listen to my story, say you won't leave
When I say I'm sorry, can you forgive me
When I say I will always be there
Will you believe

If I told you I've been cleaning my soul
And if I'd promised you I'll regain control
Would you open your door and let me in
Take me for who I'm now and not for who I've been
Come take my hand

Take my hand
Take my hand
Like you used to do
Take my hand

When I say I'm sorry, will you believe me
Listen to my story, say you won't leave
When I say I'm sorry, can you forgive me
When I say I will always be there
Will you believe
