

Star Salzman, Say It

I see you every day, I want you
I want you to see me
I see you in the dreams I'm dreaming
I'm dreaming that you're dreaming of me
I need to tell you something, listen
But I don't know what to say
But I'll say it anyway
I'll say it anyway
I'll say it anyway

I meet you at the park, I'm shaking
I say "nothing risked, nothing gained";
I try to stop my hands from shaking
You look at me like I've gone insane
I tell you very softly "listen, it's kinda hard for me to say
But I'll say it anyway";
I'll say it anyway

I tell you "I like you";
I'm hoping
I'm hoping that you'll know what I mean
You tell me "I like you too";
You're smiling
I guess I'll have to tell you bluntly,
You say "no thanks that's ok..";
But I'll say it anyway
I'll say it anyway

Why is this so hard to say?
It's just a little phrase

Why can't I just tell you "hey, I'll love you always";

I guess if I didn't care, it wouldn't be so hard to say

So I'll say it anyway
I'll say it anyway
