

Starfield, From The Corners Of The Earth

From every nation
God is calling out His own
A saved generation
that will not be overthrown
And we're not backing down, no way
We're finally seeing it clearly
One body, one church, one savior,
One call to praise
Hey! From the corners of the earth
We will sing of your great worth
And around the world proclaim
Our God Reigns!
We sing for freedom
For the reign of God to come
For His power through us
As the wars we wage are won
And we're not backing down, no way
We're finally seeing it clearly
One body, one church one savior,
One call to praise
From the north to the south to the east to the west, we sing
To the one, to the one, to the one who is our King
From the corners of the Earth (corners of the Earth)
we sing (we sing)
From the corners of the Earth (corners of the Earth)
