

Starfield, Holy Is Our God

Lift your hands, oh saints of God, lift up your hands
Sing for joy unto the risen Son of man
Celebrate the life that's been reborn in you
Celebrate the One who's making all things new
Hallelujah Christ is King
Hallelujah, rise and sing

Holy is our God
Wonderful is He
Holy is the Lord Almighty

Fall before your maker, every creature fall
Let your heart be still and know that He is God
Tremble at the feet of him upon the throne
Tremble men and angels before Him alone

Hallelujah, Christ is King
Hallelujah, rise and sing

Holy is our God
Wonderful is He
Holy is the Lord Almighty
Holy is our God
The prince of perfect peace
Holy is the Lord Almighty

To the One who reigns forever
To the ancient of all days
Be the glory, power, majesty, and praise [3x]

Holy is our God
Wonderful is He
Holy is the Lord Almighty
Holy is our God
The prince of perfect peace
Holy is the Lord Almighty

And the mountains bow and the rivers cry
Holy is our God
Over all the earth you reign
