

# Staring Back, D I Why?

Every time I flip on my TV I see the same damn thing  
It's singers who can't sing, dancers who can't dance  
Rappers who can't rap and here I am without a record contract  
I want to be on the radio, I want to headline a sell-out show  
And be the one everybody knows  
I want to see you at the show taking off your clothes  
Because I told you so
