

Starlight Dragons, The Perfect Girl

This song is dedicated to a special girl:
Michelle Hollands

(Chorus 2x)

I met her on school
I used to think I was a fool
But she was just pretty
Nice hear just like a lil' kitty
Such cute lips
And such sexy hips
Such nice eyes, girl
She's just the perfect girl

She's just the perfect girl

(Verse 1)

If only she could see
That I want to be with her
And that I want that's she's ma girl
Every time I see her
I'm in heaven
I'm gon' love her for ever
Till the end of my days
And till I get my pays
Cause I know that someday
She's gon' be with me
And every word I say
I mean it from my heart
Cause I can't see us apart
Baby, you're the perfect girl

(Chorus 2x)

I met her on school
I used to think I was a fool
But she was just pretty
Nice hear just like a lil' kitty
Such cute lips
And such sexy hips
Such nice eyes, girl
She's just the perfect girl

(Verse 2)

Baby, she's the girl of my dreams
She's so sweet just like ice cream
Bur she doesn't love me
But if only I could let her see
How much she means to me
But if I could find the key
To unlock your heart
You're so beautiful and smart
Tell me why I can't be with you
Sometimes I think in the dark,
When there's no one else around
I still pray that our love can be found
But if you could be one day with me
Then I can make you see

Yes baby, you're the perfect girl for me

(Chorus 2x)

I met her on school
I used to think I was a fool
But she was just pretty

Nice hear just like a lil' kitty
Such cute lips
And such sexy hips
Such nice eyes, girl
She's just the perfect girl

(Verse 3)

I used to think
that there was no love in my life
But then came you stormed into my life
My heart was sold
Everything you told
I will never forget
But I'll know you will reject
But still in my heart I will be loving you
And I know what I feel for you is true
I will treat you good
Even better than they way it should
When you look at me
You take my breath away
And I don't know what to say
Cause you're the perfect girl

(Chorus 2x)

I met her on school
I used to think I was a fool
But she was just pretty
Nice hear just like a lil' kitty
Such cute lips
And such sexy hips
Such nice eyes, girl
She's just the perfect girl

Girl, you got me down here on my knees
Crying, begging pleading
I'll do anything for your love
Oooohwooh

(Chorus)

I met her on school
I used to think I was a fool
But she was just pretty
Nice hear just like a lil' kitty
Such cute lips
And such sexy hips
Such nice eyes, girl
She's just the perfect girl

(Repeat till fading)
