

Starlight Mints, Inside Of Me

Well I don't need your sympathy
But I could use your company
Crawl into a mystery
And I call you

So come inside of me,
My skin and bones
I just want the world to see
What's inside of me

Yeah, whats inside of me

Yeah, yeah... Maybe tonight
If I could sleep tonight
We could fall on through
And I could drive
This evilness that breathes
Inside of me

Well I don't need your sympathy
But I could use your company
Just to see if it could bring
These things true

So come inside of me
My skin and bones
I just want the world to see
What's inside of me

Yeah, what's inside of me

Yeah, yeah... Baby, tonight
If I could sleep tonight
We could walk on through
And I could drive this evilness that breathes
Well I can try but only you can free

Ohhhh, What's inside of me
Yeah, what's inside of me
Ooh, what's inside of me
Ohh, what's inside of me
Oh, what's inside of me
What's inside of me

Yeah, oh
What's inside of me
