

# Stars, Blitzkrieg

...In your dreams, Hearts shake.  
Nerves scream, Minds break.  
Heavens turn, Grounds .  
Prayers burn, Burn black.  
And it's all there inside of you,  
It's ly, dark, cold!  
Can you feel the explosion,  
Now lean back and enjoy the show!  
Blitzkrieg!  
Blitzkrieg!  
Blizkrieg BOOM!  
Hope fails, shines.  
Long nails, Hell's vines.  
Terrors speak, Walls fall.  
Addictions seek, Seek it all.  
Blitzkrieg!  
Blitzkrieg!  
Blizkrieg BOOM!  
... This is the end.  
Still your need is driven on, driven on...  
(As we trigger one last ).  
Wounds bleed, Tears ride.  
Demons feed, Angels hide.  
Fathers sigh, Mothers weep.  
Children cry, Crying deep.  
the world with a and a broken blade!  
... This is the end.  
Still your need is driven on, driven on...  
(As we trigger one last ).
