

Starsailor, Change My Mind

Maybe you think shes not for me
Maybe you think shes got a chequered history
Maybe I should not have to try
Send her some money
And have an easy life
Couldnt change my mind
Though I try this time
Couldnt change my mind
If you tried
Maybe weve lost our little way
Maybe well get back the dreams of yesterday
Tell me your weakness and Ill try
To make a balance
I know that Ive got mine
Couldnt change my mind
Like the hands of time
Couldnt change my mind
If you tried
Lord youve tried
And if I fall would you catch me
Understand all I could be
Open up let it breath
Couldnt change my mind
Like the hands of time
Couldnt change my mind
If you tried
Lord youve tried
