Starsailor, Change My Mind

Maybe you think shes not for me Maybe you think shes got a chequered history Maybe I should not have to try Send her some money And have an easy life Couldnt change my mind Though I try this time Couldnt change my mind If you tried Maybe weve lost our little way Maybe well get back the dreams of yesterday Tell me your weakness and III try To make a balance I know that Ive got mine Couldnt change my mind Like the hands of time Couldnt change my mind If you tried Lord youve tried And if I fall would you catch me Understand all I could be Open up let it breath Couldnt change my mind Like the hands of time Couldnt change my mind If you tried Lord youve tried
