

State Of Alert, Public Defender

You see a cop coming
You better look quick
He's gunna hit you with a stick
It doesnt matter what you've done
Youre just a summer full of fun

Man in Blue he's coming for you
Sirens red, youre gunna be dead
Man in Blue, He's coming for you
Sirens red, Youre gunna be Dead

Got yoor car he looks inside
Asks you where you've been tonight
He dont like you, everyone knows
He dont like your hair, he dont like your clothes
