

# Static, WISCONSIN DEATH TRIP

what's wrong  
don't you sing dong ding dong  
push it the phoney  
hook it up and ride away  
motion  
can't you feel the motion  
you can see right through me  
we connect  
you're a part of me

take this  
break the vibe and make this  
get up on it  
oh yeah  
close your eys and fly away  
motion  
can't you feel the motion  
you can see right through me  
we connect  
you're a part of me

get up on this wiscosin death trip  
get on it

take me  
clear your mind and make me  
feel me inside oh yeah  
you can have me anyway  
motion  
can't you feel the motion  
you can see right through me  
we connect  
you're a part of me
