

Static X, All In Wait

Drowning myself, over and over
Desolate, trying it's over
Why so cynical in life
You think you're living to die
All in wait, all in wait
Burning inside, long for answers
Makes no sense, trying it's over
Why so cynical in life
You think you're living to die
All in wait
Step down and smile at this fool
That believes his own word
All in wait
Now I'm drowning myself over and over
Desolate we're trying but you say it's over
All in wait
Why so cynical in life
You think you're living to die
All in wait
Step down and smile at this fool
That believes his own word
All in wait
Now I'm drowning myself over and over
Desolate we're trying but you say it's over
Burning inside as we long for these answers
Makes no sense we're trying but you say it's over
