

Static X, Breathe

Regrets, i ran away i froze , i froze (so frozen cold)
All bets, i turned my back, my heart ,it closed (i turned to stone)
Undone ,I put my head into my hands (My broken hands)
Not won, i did not want to understand
Breathe for me, Breathe in me, Breathe...
I can, I can not feel, i cannot see (i cannot see)
I got this feeling hanging over me (hung over me)
I can, i can not feel you take your breath (one final breath)
I got, I got this feeling, Kiss of Death
Breathe for me, Breathe in me, Breathe
Still I fade, Still I fade...
Away, away.
