

# Static-X, Light It Up

I can push your fire  
Light illumination  
Turn it up  
Burn it brightly  
Destroy this  
submission  
Can't push selling weapons  
Push to terrify them  
Purity's burning our way  
Poison information

Light it up  
(x6)

Streaking in the night sky  
Climb the shadow mountain  
Inside taking implant  
Getting under my skin
