

# Static-X, Love Dump (demo)

Hand me a line  
Really hand me a line  
Really hand me a line  
Hand me a line  
Really hand it to me  
I always loved you  
Love dumpling  
Your shit's like chocolate cake  
And your ass smells like a rose  
I really hate you  
Love dumpling  
I really hate you  
Love dumpling  
Now my bowel's aching  
Drop down me the line  
Really hand me a line, really hand me a line  
Hand me a line, really hand it to me

Hand me a line  
Really hand me a line, really hand me a line  
Drop down me the line  
Really hand me a line, really hand me a line  
Hand me a line, really hand it to me
