

Static X, Stem

stem!

anything that i want you to know
anything that i want you to see
see the reason to which way to be
anything that i want you to be
damn good thing it isn't a crime
i've got a dirty gun up against my head
cleanse and purge the ill from the inside
a burning conscience severs the stem
anything that i want you to know
anything that i want you to see
see the reason to which way to be
anything that i want you to be
stem!

damn good thing it isn't a crime
i've got a dirty gun up against my head
cleanse and purge the ill from the inside
a burning conscience severs the stem
