

Static X, This is Not

(Echoing)

(This is not)(x3)

I hate this!!!

Lines and the light stream

Screaming by the scream

Burning down

Not me you see me suffer

Haunted by your spirit

Undead by your spit

Taunted by yourself alive

Dazed and burning state

Hazed and spinning fate

Dazed and Burning

I say I can't come

You say this ain't home

Hating this I mouth your name

This is not my life

This is not my home

This is not me

I Hate this!(x2)

Your voice in my mind

Come home it ain't time

Burned down

Not me you see me suffer

Solace to inspire

Lowness to my fire

Taunted by yourself alive

Dazed and burning state

Hazed and spinning fate

Dazed and burning

I say I can't come

You say this ain't home

Hating this I mouth your name

This is not my life

This is not my home

This is not me

I Hate this!(x2)(Break an repeat again)

I Hate this!(x4)
