

Status Quo, And I Do

I don't want to spend the rest of my life
Going on about the rest of my life
I don't wanna be a-wastin' my time (my time time time)
Got to keep it movin' most of the time (the time time time)
And I do

And I do
And I do ooh
And I do oh ooh ooh ooh
And I do

And I do
And I do ooh
And I do oh ooh ooh ooh
And I do

I'm a thinking of a-carrying on
Such a waste of time is carrying on
Everybody's got a hole in the head (the head head head)
Not everybody gets a gun in the head (the head head head)
But I do

And I do
And I do ooh
And I do oh ooh ooh ooh
And I do

And I do
And I do ooh
And I do oh ooh ooh ooh
And I do

Shouldn't play around with tenderness (with tenderness)
Musn't show you got a tenderness (tenderness)
We forget about the rest of the world (the world world world)
Gonna miss the very best of the world (the world world world)
And I do

And I do
And I do ooh
And I do oh ooh ooh ooh
And I do

And I do
And I do ooh
And I do oh ooh ooh ooh
And I do oh ooh ooh ooh
And I do oh ooh ooh ooh
And I do
