

# Status Quo, Auntie Nellie

Sitting here with Auntie Nellie, she is so alone  
Talking idly, she's in no hurry, I wish I could go  
But how could I just say Goodbye, there's no-one who she knows

No I can't leave my Auntie Nellie, no  
No I can't leave my Auntie Nellie, no

She's getting old and weary, oh it's such a shame  
'Cos she's been good to everyone but now they don't know her name

No I can't leave my Auntie Nellie, no  
No I can't leave my Auntie Nellie, no

Sitting here with Auntie Nellie, she is so alone  
Talking idly, she's in no hurry, I wish I could go  
But how could I just say 'Goodbye', there's no-one who she knows

No I can't leave my Auntie Nellie, no  
She's so alone, she'd die if I should go.  
No I can't leave my Auntie Nellie, no  
She's so alone
