

# Status Quo, Better Times

Well I feel so good  
And I feel so sure  
I walk the town  
And it brings me down

But I won't give up  
And I won't turn back  
Oh, I'll hang around  
'Til a way is found

Then it's gonna be fine, fine, fine  
If we hang on longer  
But it's gonna take time, time, time  
It'll make us stronger

So I feel so good  
But I know for sure  
We've got to think about, think about  
Bring about a better time

(Ugh!)

Well I'm up and down  
And I'm on and off  
Oh, I have been told  
I'm blowin' hot and cold

So, where to from here?  
Where do we go?  
Oh, I say it's wrong  
To go on and on

But it's gonna be fine, fine, fine  
If we hang on longer  
And it's gonna take time, time, time  
It'll make us stronger

So, where to from here?  
Where do we go?  
We got to think about, think about  
Bring about better times

Oh, trying to find the answer  
Trying to look, trying to find the other side  
Oh, all the doors are open  
Or you take a trip across the other side

So, where to from here?  
Where do we go?  
Oh, I say it's wrong  
To go on and on

Now, I'm sure it's time  
And I'm sure it's right  
To make better ways  
Oh, happy days

'Cos it's gonna be fine, fine, fine  
If we hang on longer  
But it's gonna take time, time, time  
It'll make us stronger

So where to from here?  
Where do we go?

We've got to think about, think about  
Bring about better times  
We've got to think about, think about  
Bring about better times  
We got to think about, think about  
Bring about better times
