

# Status Quo, Blessed Are The Meek

(Rossi/Frost)

You know the story about a woman and a man  
In a garden living free  
The only danger was a stranger by a tree  
Selling apples by the score

Blessed are the meek, blessed are the true lovers  
It's anybody's guess really more or less  
Where it's gonna go  
Better make a break before we get in big trouble  
I'll look out for you, you look out for me  
The way it's gotta be

Another story about a woman and a man  
The only difference is the time  
He had a lover, she knew his long hair was his strength  
So he lost it all for love

Blessed are the meek, blessed are the true lovers  
It's anybody's guess really more or less  
Where it's gonna go  
Better make a break before we get in big trouble  
I'll look out for you, you look out for me  
The way it's gotta be

Gotta do something seriously  
Oh oh oh can't ignore it any longer  
Oh no no, oh no

Another story about a woman and a man  
Who can say it's right or wrong?  
He was the new king in the making, but he said  
Gonna give it up for love

Blessed are the meek, blessed are the true lovers  
It's anybody's guess really more or less  
Where it's gonna go  
Better make a break before we get in big trouble  
I'll look out for you, you look out for me  
The way it's gotta be  
Blessed are the meek, blessed are the true lovers  
It's anybody's guess really more or less  
Where it's gonna go
