

Status Quo, Carol

(Berry)

Oh Carol, don't let him steal your heart away
I'm gonna learn to dance if it takes me all night and day

Well come in to my machine so we can cruise on out
I know a swinging little little joint where we can jump and shout
It's not too far back off the highway, not so long a ride
You park your car out in the open, you can walk inside
A little cutie takes your hat and you can thank her, ma'am
'Cos every time you make the scene you find the joint is jammed

Oh Carol, don't let him steal your heart away
I'm gonna learn to dance if it takes me all night and day

Oh Carol, don't let him steal your heart away
I'm gonna learn to dance if it takes me all night and day

Well, you want to hear some music like the boys are playing
Hold tight, catch your foot, don't let him carry it away
Don't let the heat overcome you when they play so loud
Oh, don't the music intrigue you when they get a crowd
If you can dance, I know you wish you could
I got my eyes on you baby 'cos you dance so good

Oh Carol, don't let him steal your heart away
I'm gonna learn to dance if it takes me all night and day
Oh Carol, don't let him steal your heart away
I'm gonna learn to dance if it takes me all night and day
