

Status Quo, Don't Give It Up

You say it's over, this time it's goodbye
Why won't you talk about it?
Give me a reason why you never try
You just can't walk out on it

A love collision, the end of the line
You broke the seal upon our love
The worst decision you thought at the time
How did you feel about our love?
Cos I say you can't get away
From what we had yesterday

Don't give it up, don't give it up
You know my heart's on fire
Don't give it up, don't give it up
I'm burning, I'm burning
Don't give it up, don't give it up
I'm asking you, don't give it up

You were the woman that no-one could follow
I never worried 'bout our love
We lived our lives like there would be no tomorrow
That was the story of our love
And I say you can't get away
My love for you is here to stay

Don't give it up, don't give it up
You know my heart's on fire
Don't give it up, don't give it up
I'm burning, I'm burning
Don't give it up, don't give it up
I'm asking you, don't give it up

And I say that you can't get away
From what we had yesterday
There's no chance you can get away
No I can't let you do that

Don't give it up, don't give it up
You know my heart's on fire
Don't give it up, don't give it up
I'm burning, I'm burning for you
Don't give it up, don't give it up
Oh I'm begging you
Don't give it up, don't give it up
You know my heart's on fire
Don't give it up, don't give it up
Don't give it up, stay with me
Don't give it up, don't give it up
You know my heart's on fire
Don't give it up, don't give it up
Don't give it up, don't give it up
