Status Quo, Gone Thru The Slips

Same old weekend, she pays off her hairdresser Then she buys a hat I never complain 'cos I feel like a martyr I kind of like it like that New hi-fi, she says it could be louder The same familiar scene Over-reacting, she's taking a powder Laying the blame on me

She's gone thru the slips again Gone like a kiss Gone thru the slips again She didn't have to cheat me Didn't have to treat me like this

Back next morning, pretend she's never happened She's all over me I look to her side when she runs to the bathroom To the vanishing cream

She's gone thru the slips again Gone like a kiss Gone thru the slips again She didn't have to cheat me She didn't have to treat me like this

She's gone thru the slips again Gone like a kiss Gone thru the slips again She didn't have to treat me She didn't have to treat me like this

Every day now it's just another showdown I won't take much more Chews me up, and spitting out the pieces Walk out the door

She's gone thru the slips again Gone like a kiss Gone thru the slips again She didn't have to cheat me Didn't have to treat me like this

Go, go, go, go, go, go, go

She's gone thru the slips again Gone like a kiss Gone thru the slips again She didn't have to cheat me Didn't have to treat me like this
