

# Status Quo, I Don't Remember Anymore

(Bown)

I don't remember anymore  
I woke up freezin' on the floor  
My head was buzzin' like a saw  
I don't remember anymore

She stole the bottle then she said  
Your eyes were blue and now they're red  
I think I'll carry you to bed  
I don't remember anymore

I wanna rock and roll, wanna sell my soul  
Sail the TV around the swimming pool  
I want my name in lights a la Johnny B Goode  
Be an all night loon like Ronnie Wood

Don't read the writing on the wall  
Cos if I'm having me a ball  
I stand around till I fall  
And don't remember anymore

I wanna rock and roll, wanna sell my soul  
Sail the TV around the swimming pool  
I want my name in lights a la Johnny B Goode  
Be an all night loon like Ronnie Wood

She stole the bottle then she said  
Your eyes were blue and now they're red  
I think I'll carry you to bed  
I don't remember anymore

I wanna rock and roll, wanna sell my soul  
Sail the TV around the swimming pool  
I want my name in lights a la Johnny B Goode  
Be an all night loon like Ronnie Wood

Don't read the writing on the wall  
Cos if I'm having me a ball  
I stand around till I fall  
And don't remember anymore

I don't remember anymore  
I don't remember anymore  
I don't remember anymore  
I don't remember anymore
