

Status Quo, I Fought The Law

(Sonny Curtis)

Breakin' rocks in the hot sun
I fought the law and the law won
I fought the law and the law won
I needed money 'cause I had none
I fought the law and the law won
I fought the law and the law won

I miss my baby and I feel so sad
I guess my race is run
She's the best girl that I ever had
I fought the law and the law won
I fought the law and the law won

Robbin' people with a six-gun
I fought the law and the law won
I fought the law and the law won
I miss my baby and I miss fun
I fought the law and the law won
I fought the law and the law won

I miss my baby and I feel so sad
I guess my race is run
She's the best girl that I ever had
I fought the law and the law won
I fought the law and the law won

I fought the law and the law won
I fought the law

I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law

I miss my baby and I feel so sad
I guess my race is run
She's the best girl that I ever had
I fought the law and the law won
I fought the law and the law won
