

# Status Quo, I Want It

I want it girl, I want all your loving  
I want every part of you, you know  
I need a girl, s-so you keep on teasing  
You know I want it from you

Tell her boys then  
I want it, all your love - Oh yeah, it's true  
I want it, all your love - Just give it to me girl  
I want it, all your love - Don't tease me know  
I want it, all your love - I want it girl, come on

You tease me girl, you know I need that something  
You keep me waiting too long, come on  
And please me girl, yeah yeah, I got that feeling  
Come on, don't you throw me wrong

I want it girl, yeah  
I want it, all your love - Yeah, anytime girl  
I want it, all your love - Just give it to me  
I want it, all your love - Don't tease me know  
I want it, all your love - I want it girl, come on

Tell her boys again  
I want it, all your love - Anytime, girl  
I want it, all your love - Just give it to me girl  
I want it, all your love - Don't tease me know  
I want it, all your love
