

Status Quo, In My Chair

I saw her talking, now
My ears were burning
Her feet started walking, now
They started turning
My eyes were half open
But she didn't see me there
We ran along walking 'cross the rooftops in my chair

Had a car in my pocket
And we started moving
A man in a helmet
Said, what's that you're using
My eyes were half open
But we didn't see him there
Put the car back in my pocket
And I'm still here in my chair

My teeth were laughing, now
We couldn't stop smiling
We danced to the Mystery Band
Without even trying
My eyes were half open
But we didn't see them there
We ran along walking 'cross the rooftops in my chair
