

Status Quo, Let's Work Together

(Wilbur / Harrison)

Together we stand, divided we fall
Come on now people let's get on the ball
And work together, come on, come on
Let's work together, now, now people
'Cos together we will stand every boy, every girl and man

Before when things go wrong as they sometimes will
And the world that you're travelling stays all uphill
Let's work together, come on, come on
Let's work together, now, now people
You know together we will stand every boy, girl, woman and man

Oh well now, two or three minutes, two or three hours
What does it matter now in this life of ours?
Let's work together, come on, come on
Let's work together, now, now people
'Cos together we will stand every boy, every woman and man

Oh well, make someone happy, make someone smile
Let's all work together and make life worthwhile
Let's work together, come on, come on
Let's work together, now, now people
You know together we will stand every boy, girl, woman and man

Because together we will stand every boy, girl, woman and man
Well, together we will stand every boy, girl, woman and man

Let's work together, come on, come on,
Let's work together, come on, come on,
Let's work together, come on, come on,
Let's work together, come on, come on...
