

# Status Quo, Lonely

I don't need you by my side  
I don't need you, baby I've lied  
'Cos I'm lonely, lonely as I can be  
My one and only, changing the mood in me.

I can't see you anymore  
I don't feel you as before  
And I'm lonely, lonely as I can be  
And it's only because you're never here with me.

Trying, oh-oh-oh I'm trying  
Sighing, woh-oh-oh you've got to believe me

Because I'm lonely tonight  
Something ain't right  
Saving a place for you by my side  
But you're still away  
I don't know what to do  
Because I'm lonely tonight  
And all that I need is you.

I'm so lonely can't you see?  
All alone all I see is me  
And I'm lonely, lonely as I can be  
I don't wanna fight, come on home to me.

Trying, oh-oh-oh I'm trying  
Sighing, woh-oh-oh you've gotta believe me

Well I'm lonely tonight  
Something ain't right  
Saving a place for you by my side  
I'm lonely tonight, what else is there to say?  
I'm lonely tonight, nothing is going my way  
'Cos I'm lonely tonight, what else is there to say?
