

# Status Quo, Price Of Love

(Everly / Everly)

Wine is sweet and gin is bitter  
You drink all you can but you won't forget her  
You kiss one girl, you kiss another  
You kiss them all but you won't recover

That's the price of love, the price of love  
The debt you pay with tears and pain  
The price of love, the price of love  
Costs you more when you're to blame

You're dancing slow, you're dancing fast  
You're happy now but that won't last  
You talk too much, you laugh too loud  
You see her face in every crowd

That's the price of love, the price of love  
The debt you pay with tears and pain  
The price of love, the price of love  
Costs you more when you're to blame

That's the price of love, the price of love  
The debt you pay with tears and pain  
The price of love, the price of love  
Costs you more when you're to blame  
That's the price of love, the price of love  
The debt you pay with tears and pain  
The price of love, the price of love  
Costs you more when you're to blame

That's the price of love, that's the price of love  
That's the price of love  
That's the price of love  
That's the price of love  
That's the price of love
