

# Status Quo, Roadhouse Blues

(Doors)

Keep your eyes on the road, your hands upon the wheel  
Keep your eyes on the road, your hands upon the wheel  
Yeah, we're going to the roadhouse  
We're gonna have a real good time

Yeah, the back of the Roadhouse they got someone to love  
Yeah, the back of the Roadhouse they got someone to love  
That's sort of people like to go down slow

Let it roll, baby, roll, let it roll, baby, roll  
Let it roll, baby, roll, let it roll, all night long

Keep your eyes on the road, your hands upon the wheel  
Keep your eyes on the road, your hands upon the wheel  
Yeah, we're going to the roadhouse  
We're gonna have a real good time

In the back of the Roadhouse they got someone to love  
At the back of the Roadhouse they got someone to love  
That's sort of people like to go down slow

Let it roll, baby, roll, let it roll, baby, roll  
Let it roll, baby, roll, let it roll, all night long

You gotta roll, roll, roll  
You gotta ease my soul, all right  
You gotta roll, roll, roll  
You gotta jump up and get me baby  
I know you want me baby

You gotta roll, roll, roll  
You gotta ease my soul, all right  
I shoulda made you, I shoulda made you  
Give up your vows, give up your vows

Save my city, save my city  
Right now, oh baby, baby I woke up this morning,  
I got myself a beer  
I woke up this morning, and I got myself a beer  
The future's uncertain, and the end is always near

Let it roll, baby, roll, let it roll, baby, roll  
Let it roll, baby, roll, let it roll

All night long
