

# Status Quo, Takin' Care Of Business

(Randy Bachman)

You get up every morning from your alarm clock's warning  
Take the 8:15 into the city  
There's a whistle up above and people pushin', people shovin'  
And the girls who try to look pretty  
And if your train's on time you can get to work by nine  
And start your slaving job to get your pay  
And if you ever get annoyed look at me I'm self-employed  
I love to work at nothing all day

And I'll be  
Taking care of business every day  
Taking care of business every way  
I've been taking care of business, it's all mine  
Taking care of business and working overtime  
Work out

If it were easy as fishin' you could be a musician  
I if you could make sounds loud or mellow  
Get a second-hand guitar, chances are you'll go far  
If you get in with the right bunch of fellows  
People see you having fun just a-lying in the sun  
Tell them that you like it this way  
It's the work that we avoid and we're all self-employed  
We love to work at nothing all day

And we'll be  
Taking care of business every day  
Taking care of business every way  
I've been taking care of business, it's all mine  
Taking care of business and working overtime

Takin' care of business  
Takin' care of business  
Takin' care of business, business
