

Status Quo, We Ain't Got Nothin' Yet

One day you're up and the next day you're down
You can't face the world, point your head to the ground
Things going wrong make you feel quite insane
But don't worry boy, life will be sweet one day

We made enough mistakes
But you know we've got what it takes
We ain't got nothin', we ain't got nothin' yet
We ain't got nothin' yet

One day you're up and the next day you're down
You can't face the world, point your head to the ground
Things going wrong make you feel quite insane
But don't worry boy, life will be sweet one day

We made enough mistakes
But you know we've got what it takes
We ain't got nothin', we ain't got nothin' yet
We ain't got nothin' yet

We made enough mistakes, ah
But you know we've got what it takes
We ain't got nothin', we ain't got nothin' yet
We ain't got nothin' yet
